

Researcher's Quick Reference

Welcome to the Office of Research

We're here to assist researchers with resources, approvals, and compliance. Our 9 specialized units oversee MCW research:

- Wet & Dry Lab Space Assignments
- Grant Submission & Management
- Human & Animal Research Safety & Compliance
- Formalized Regulatory & Safety Approvals
- Research Systems Training & Maintenance
- Data & Literary Resource Access
- Intellectual Property Guidance & Assurance

Research Systems

eBridge

Use eBridge to route funding applications & human, animal, and biological study approvals

mcw.edu/eBridge.htm

Help-eBridge@mcw.edu

(414) 955-8476

OnCore

Use OnCore to manage cancer & non-cancer Clinical Trials and Biospecimens

mcw.edu/OnCore.htm

OnCore@mcw.edu

(414) 955-8476

Online Resources

Visit mcw.edu/research-resources.htm and Infoscope.mcw.edu/research.htm

Start-Up Process Maps

Navigate our various research approval processes

Funding Opportunities

Browse Federal, Private, Internal, and other RFA's

Grant Support

Assistance for submitting high quality funding proposals

Campus Cores

Review the catalogue of shared resources, facilities & equipment

Computing Center

Access to high performance computing resources

Equipment Exchange

Listing of wanted & available equipment and supplies on campus

Lab Safety

Guidance for environmentally responsible & compliant research

Funding Reports

Review NIH and other MCW research funding data

Data & Publications

Literary resource & data access, reference & circulation assistance

Training Offerings

Contact research@mcw.edu for more info on:

Compliance & Safety

- Financial Conflict of Interest in Research
- Responsible Conduct of Research
- NIH Public Access Policy
- Laboratory Safety
- Radiation Safety Training
- MRI Safety Steps 1, 2 & 3
- Hazardous Chemical Safety
- Biosafety & Bloodborne Pathogens for Researchers
- Recombinant DNA Training

Systems & Technology

- eBridge & OnCore Training
- Faculty Collaboration Database

Funding

- Searching for Grant Dollar\$
- NIH Application Guide

Publications & Data

- MCW Libraries Orientation
- RefWorks Fundamentals

Human Subject Research

- Bloodborne Pathogens for Clinical Staff
- Collaborative IRB Training Initiative (CITI) Program
- Core Education Boot Camp
- IRB Bank Training for Research Personnel at MCW/FH

Animal Research

- Animal Care & Use Program Orientation
- IACUC Essentials
- Basic Rodent Surgical Technique Workshops I & II
- Rodent Anesthesia & Analgesia
- Animal Biosafety Levels 2 & 3

Research Network

Clinical and Translational Science Institute of SE Wisconsin

CTSI is a biomedical research consortium of 8 regional organizations whose members share resources, technology, knowledge and expertise

Children's Research Institute

CRi hosts pediatric translational research in 4 units: Developmental Genetics & Genomics; Infection, Inflammation & Immunity; Vascular Biology & Hematology and Patient-Centered Research

Clinical Trials Office

The MCW/CTSI CTO and Cancer Center CTO provide research support services to MCW faculty regarding the planning, implementation and financial management of clinical trials with support resources

Blood Research Institute

The BRI hosts basic, translational, and clinical blood research in 4 programs: Immunobiology; Transfusion Medicine; Thrombosis, Hemostasis & Vascular Biology and Stem Cell Biology & Hematopoiesis

Office of Clinical Research & Innovative Care Compliance

OCRICC maintains compliance across the Froedtert Health system for research projects involving hospital or clinic staff, equipment, services and resources

Clement J. Zablocki VA Medical Center

The VA hosts patient-centric medical research in 4 target areas: Biomedical Laboratory, Clinical Science, Rehabilitation and Health Services

Office of Research Units & Committees

Research Systems & Training

- Guide investigators through MCW web-based research systems, eBridge & OnCore
- Registration, training, and help desk/support

ResSysTrain@mcw.edu

Help-ebridge@mcw.edu

(414) 955-8476

oncore@mcw.edu

mcw.edu/research-systems-training.htm

Grants & Contracts Office

- Support submission of high quality, competitive & compliant funding proposals
- Training and educational resources for federal, state, and local procedures
- Assistance and troubleshooting through rigorous application process

aor@mcw.edu

(414) 955-8563

mcw.edu/grants-and-contracts-office

Office of Technology Development

- Protect invention & intellectual property for MCW
- Invention disclosure: Intake & support
- Discovery development & evaluation
- Commercialization: Promotion, patenting, licensing & start-ups

MCWOTD@mcw.edu

(414) 955-4362

mcw.edu/Technology-Development

Biomedical Resource Center

- Compliant laboratory animal facility: Research animal housing & care
- Facility management, safety & access
- Support of data collection & transfer

BRAdmin@mcw.edu

(414) 955-4209

(414) 603-1591 (emergency pager)

Infoscope.mcw.edu/brc

Human Research Protection Program

- Oversight of the Institutional Review Board (IRB) and human subject research
- Navigating investigators & study staff through IRB processes
- Ensuring safe, compliant & ethical treatment of human research subjects

IRBoffice@mcw.edu

(414) 955-8422

mcw.edu/hrpp

MCW Libraries

- Provide MCW research faculty/staff with medical information services & resources
- Management of print, electronic, and web-based resources
- Literary search, access & availability assistance
- Topical research support & training

asklib@mcw.edu

(414) 955-8302

(414) 367-9629 (text)

mcw.edu/libraries

IACUC Office

- Oversight of the Institutional Animal Care and Use Committee & animal research program
- Federal & organizational compliance
- Animal Use Application submission, review & management
- Audit of facilities, programs & regulations
- Complaint investigation & incident response

IACUAdmin@mcw.edu

(414) 955-8084

Infoscope.mcw.edu/iacuc

Office of Radiation Safety

- Ensure safe and compliant use of radiation & radioactive materials
- Monitor radioactive material inventory, use, treatment, and disposal
- Regulate safe use, report incidents & respond to emergencies

RadSafety@mcw.edu

(414) 955-4347

mcw.edu/radiation-safety

Safety Committees

Hazardous Chemical Safety

HazChem@mcw.edu

Institutional Biosafety

IBCsafety@mcw.edu

MRI Safety

MRIresearch@mcw.edu

Radiation Safety

RadSafety@mcw.edu
