

Commencement

Doctorate of Medicine
Green Bay, Wisconsin
May 30, 2024

Welcome

"I don't know what your destiny will be, but one thing I know: the only ones among you who will be really happy are those who will have sought and found how to serve."

—Albert Schweitzer

On behalf of MCW-Green Bay, welcome and thank you for joining us on this extraordinary occasion. I extend my personal congratulations and deep gratitude to each of you as we celebrate MCW-Green Bay's Commencement and Hooding Ceremony. Today we celebrate each of these graduates as a class and individuals who have navigated a difficult journey during a global health crisis that significantly impacted humanity. Each graduate has risen to the task of continuing forward to arrive at graduation day and will be honored today for that prestigious achievement. I am proud of each one of you for your resilience and determination.

Congratulations to each of the graduates and their families. Doctors, as you heal, comfort, and serve your patients, we wish you every success in your career. You will always have a "home" here in Green Bay.

Leadership

President and Chief Executive Officer, Medical College of Wisconsin

John R. Raymond, Sr., MD, joined the Medical College of Wisconsin as its sixth President and CEO in July 2010. He previously served as Vice President for Academic Affairs and Provost at the Medical University of South Carolina (MUSC), where he had been a faculty member since 1996.

Dr. Raymond leads Wisconsin's only private health sciences university, which includes the nation's third-largest private medical school. Under his leadership, MCW continues to be a leader of innovation as Wisconsin's largest private research institution.

A practicing nephrologist with active roles in clinical care, teaching and faculty mentorship, Dr. Raymond also is a medical researcher studying the basic mechanisms of kidney cell function. He has published more than 140 full-length manuscripts and earned nearly \$40 million in funding in his career. He is a member of the Association of American Physicians and the American Society for Clinical Investigation.

Dr. Raymond is a member of the Board of Directors of the United Way of Greater Milwaukee and Waukesha County and served as Co-chair of the 2020 United Way Campaign. He also serves on the Board of Directors of the Versiti Blood Center of Wisconsin's Blood Research Institute. Dr. Raymond is the Past President of the Board of the American Heart Association of Metro Milwaukee. He recently was named as a 2024 Wisconsin Titan 100, which recognizes the state's most accomplished business leaders in their respective industries.

Provost and Executive Vice President, The Julia A. Uihlein, MA, Dean of the School of Medicine

Joseph E. Kerschner, MD, became Dean of the School of Medicine and Executive Vice President of the Medical College of Wisconsin in November 2011. Dr. Kerschner assumed the additional role of Provost in June 2017. In late 2020, Dr. Kerschner was named the inaugural Julia A. Uihlein, MA, Dean of the School of Medicine. He also is a Professor in the Departments of Otolaryngology and Communication Sciences, and Microbiology & Immunology. Dr. Kerschner's past executive positions include CEO of Children's Specialty Group and Executive Vice President of Children's Wisconsin.

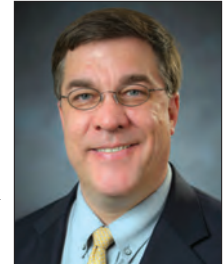

An alumnus of MCW, Dr. Kerschner joined the faculty in 1998. As a physician at Children's Wisconsin, his clinical focus is on otitis media (ear infections), voice disorders and vascular anomalies in children. Dr. Kerschner's research includes studies to identify causes of and potential new treatments for pediatric ear infections. Dr. Kerschner has published more than 170 articles, book chapters and reviews in professional journals, and has presented extensively on his clinical and research areas of expertise at scientific meetings.

In November 2020, Dr. Kerschner completed his one-year tenure as Chair of the Board of Directors for the Association of American Medical Colleges (AAMC), an organization that represents more than 170 medical schools in the United States and Canada. He also previously served as Chair of the AAMC's Council of Deans.

Founding Campus Dean, Medical College of Wisconsin-Green Bay

Matthew L. Hunsaker, MD, joined the Medical College of Wisconsin as the Founding Campus Dean for the Medical College of Wisconsin-Green Bay and Professor of Family and Community Medicine in January 2014.

Dr. Hunsaker provides overall leadership and management of MCW's regional medical school campus in Green Bay and serves as the primary liaison for our health system, academic and community partners in Northeast Wisconsin, as well as with MCW's Milwaukee campus. Dr. Hunsaker continues to serve as a national and international resource for medical education, Human Resources in Health (HRH), particularly in the design and scale-up of medical education, primary care, and community-based medical teaching models.

Board of Trustees

Chair of the Board, Medical College of Wisconsin

Phil Flynn joined Associated Bank in 2009 as President and Chief Executive Officer and retired in 2021.

Previously, Mr. Flynn held the position of vice chairman and chief operating officer of Union Bank in California. During his nearly 30-year career at Union Bank, he held a broad range of other executive positions, including chief credit officer and head of commercial banking, specialized lending and wholesale banking activities.

In addition to the Medical College of Wisconsin, Mr. Flynn serves on the Boards of St. Norbert College and the Green Bay Packers.

Strategic Direction to Support our Mission

The elected members of the Medical College of Wisconsin’s Board of Trustees are business executives, philanthropists and distinguished community leaders, pooling their wealth of knowledge and experience to enhance our mission and help shape our future.

Honorary Degree

Dr. William and Mrs. Sandra Schneider Doctor of Humanities

Dr. William and Mrs. Sandra Schneider have been pillars of the Green Bay, Wisconsin, community for nearly 60 years. For over a decade, the Schneiders have been valuable friends of and partners with the Medical College of Wisconsin-Green Bay. Their support and dedication to the school have been unwavering.

Dr. Schneider completed his undergraduate work at Marquette University and received his Doctor of Medicine degree in 1960 from the Marquette University School of Medicine – MCW's predecessor institution.

Mrs. Schneider received her Bachelor of Science in Medical Technology from Marquette University in 1959. The Schneiders were married on October 3, 1959, in Wauwatosa, Wisconsin, and Mrs. Schneider interned at the Milwaukee County Hospital. Together, Bill and Sandy raised the couple's six children.

Dr. Schneider interned at the United States Air Force Hospital Lackland in San Antonio, Texas, from 1960-1961 and the Brooks Air Force Base School of Aerospace Medicine in 1961.

Dr. Schneider served as a flight surgeon with Strategic Air Command, Loring Air Force Base in Maine, from 1961-1963. The family then returned to Milwaukee, where Dr. Schneider completed an Orthopaedic Surgical Residency at Children's Hospital, County Hospital, Woods Veterans' Hospital, and Columbia Hospital from 1963-1967.

In 1967, Dr. Schneider began a solo practice in orthopaedic surgery and founded the Orthopaedic Associates of Green Bay. He continued to practice orthopaedic surgery until 1995 at St. Vincent's, St. Mary's, and Bellin Hospitals. Dr. Schneider also founded and co-owner of Geneva Capital Management in Milwaukee from 1988 to 2011.

Dr. Schneider's memberships in professional organizations have included the American Academy of Orthopaedic Surgeons, American Board of Orthopaedic Surgeons, American Society of Hip and Knee Surgeons, Midwest Orthopaedic Surgical Society, Academy of Cerebral Palsy and Developmental Diseases; Milwaukee Orthopaedic Society; Wisconsin Orthopaedic Society; State of Wisconsin Medical Society; and Brown County Medical Society. He also served as Chief of Surgery at St. Mary's and St. Vincent's Hospitals and on the Regional Planning Board for Fairview Children's Hospital in Minneapolis.

Dr. Schneider's service to MCW-Green Bay has included membership on the MCW Regional Campus Location Search Committee and the Regional Application Advisory Committee. He also taught physical examination classes to

the MCW-Green Bay medical students in the early years of the campus.

The Schneiders have been involved in a multitude of community activities in Green Bay over the decades. A few examples of Dr. Schneider's significant community service have included membership in the Bishop's Crosier Society, Weidner Center, Botanical Garden, Abbot Pennings Foundation, St. Joseph Academy, Heritage Hill Foundation, Peninsula Art School, and Unity Hospice Community Development Board. He also has been a Walter Zeit Fellow at the Medical College of Wisconsin since 2000.

Mrs. Schneider's many community activities have included being a Brownie leader, Parent's Club Officer at St. Francis Grade School, aide in the Library and Learning Center at Notre Dame Lower School, Docent and member at Neville Museum for Early Wisconsin History and Art; English as a Second Language Teacher for Vietnam Families sponsored by St. Francis Parish; and memberships on the Service League of Green Bay, St. Joseph's Academy, Brown County Medical Auxiliary, Bishop's Crosier Society, Weidner Center, Green Bay Botanical Garden, New Rose Society, Antiquarian Society, National Museum of Women in the Arts, Brown County Medical Society Alliance, and President's Councils at Marquette University and St. Norbert College.

The Schneiders live in De Pere. In addition to their six children, they have 19 grandchildren and 12 great-grandchildren.

It is with deep respect and gratitude that we honor them as part of the ceremony today.

Executive Director of Alumni Relations

Angela K. Nelson

Graduates of 2024:

Congratulations on this momentous occasion! On behalf of the MCW/Marquette Medical Alumni Association, I welcome you to our proud, accomplished, and growing community, a network that can uplift and be an incredible resource.

You have all worked so hard for this day. I hope your experience at MCW provided a robust learning environment where collaboration among our scientists, clinicians, students, and healthcare professionals promoted persistent curiosity and provided you with unique and powerful educational opportunities. The Medical College of Wisconsin positioned you well to meet the ever changing needs of the communities you will serve.

We will follow your progress and success with great anticipation and admiration, because just as MCW will always be a part of you, you will always be a part of MCW. The Alumni Association continues to be grateful for all the ways our alumni are active on and off campus, whether in person or virtually. We have created tools to support students and we know that connecting students with those in our MCW alumni community is a powerful resource. I encourage you to continually seek out opportunities to connect with MCW and your fellow alumni (there are over 20,000 of us!). I hope to see you at MCWengage.com. If you have not already registered, please do so now.

Congratulations and best wishes,

Betty S. Pace, MD '81, GME '84,
President, MCW/Marquette Medical Alumni Association

MCW Medical School Oath

AS A MEMBER OF THE MEDICAL PROFESSION:

I pledge to dedicate myself to the service of humanity through the art and science of medicine;

The health and well-being of my patients will be my first consideration;

I will respect the autonomy and dignity of my patients;

I will value the individuality of my patients and care for all of them to the best of my ability;

I will safeguard the confidentiality of my patients;

I will practice my profession with conscience and integrity and in accordance with medical standards;

I will share my medical knowledge for the benefit of the community and the improvement of health care;

I will give to my teachers, colleagues, and students the respect and gratitude that is their due;

I will attend to my own health, well-being, and abilities so that I am able to provide the best care for my patients;

I will engage in honest self-reflection upon my character, acknowledging both my strengths and limitations;

I will not use my medical knowledge to violate human rights or civil liberties, even under threat.

I make these promises solemnly, freely, and upon my honor.

-This oath, based on the Declaration of Geneva, was written in 2019 by MCW students:

Alexandra Cohn, Clara Bosco, Erica Woertz, Jamie Jasti, Maraiika Robinson, Mohamed Khalil, and Sarah Brink.

Awards

DISTINGUISHED CLINICAL FACULTY

This award is presented annually by the MCW-Green Bay graduating medical students to a community physician who distinguishes himself/herself by exemplary clinical teaching and serves as an exceptional role model for medical students.

Honnie Bermas, MD

DISTINGUISHED BASIC SCIENCE FACULTY

This award is presented annually by the MCW-Green Bay graduating medical students to a faculty member who distinguishes himself/herself by exemplary teaching of the basic sciences and commitment to medical student education.

David Hunnicutt, PhD

DISTINGUISHED CONTRIBUTION TO MEDICAL EDUCATION

This award is presented annually by the MCW-Green Bay graduating medical students to a member of the MCW-Green Bay educational community whose impact on students transcends the classroom, and who distinguishes himself/herself by surpassing expectation in his/her commitment to medical education and inspiration of future generations of physicians by participating in their medical education.

Wm. Joseph Kellner, MD

GOUTHRO AWARD FOR THE PROMOTION OF MENTAL WELLNESS

In recognition of the importance of wellbeing in one's life, this award is presented annually to a graduating student at MCW-Green Bay who has demonstrated an outstanding commitment to the promotion of mental wellness in his/her peers or the community throughout his/her education.

Khadijah Enoch

EXCELLENCE IN HUMANISM

This award is presented annually to a graduating student at MCW-Green Bay who has distinguished himself/herself in providing compassionate patient care and exhibiting an excellent bedside manner. This award reinforces MCW-Green Bay's commitment to training physicians dedicated to building caring, trusting, and collaborative relationships with patients.

Aubriannah Larson

EXCELLENCE IN MENTORSHIP

This award is presented annually by the student body of MCW-Green Bay to a graduating student in recognition of extraordinary efforts in teaching and guidance to his/her colleagues in the basic sciences and/or clinical rotations.

Heather Heyrman

EXCELLENCE IN PROFESSIONALISM AND LEADERSHIP

Excellence in Professionalism and Leadership This award is presented annually to a graduating student at MCW-Green Bay who has demonstrated exceptional professionalism and leadership even in times of challenge. This award reinforces MCW-Green Bay's commitment to training physicians who exhibit compassion and grace, even under pressure, and who willingly and selflessly rise to the occasion when leadership opportunities arise.

Dalton Shaw

EXCELLENCE IN COMMUNITY OUTREACH

This award is presented annually to a graduating student at MCW-Green Bay who has demonstrated outstanding commitment to the populations of Northeast Wisconsin. Examples of this commitment may include outreach projects, volunteerism, and scholarship. This award recognizes MCW-Green Bay's mission of training physicians who are not only healthcare professionals, but also leaders in the communities in which they practice.

Jenna Loefer

OUTSTANDING GRADUATE

This award is presented annually to a graduating student who has consistently displayed superior qualities of leadership, loyalty, selfless service, initiative, and compassion toward his or her peers and the MCW community, as well as an ability to recognize humor in his/her life. The recipient should have demonstrated excellence in the fields of ethics, medicine, and community engagement, and is considered to be the outstanding candidate for the degree of Doctor of Medicine.

Joshua Wiesner

ALPHA OMEGA ALPHA

Members of the Wisconsin Beta Chapter of the Alpha Omega Alpha Honor Medical Society have earned the approbation of members of the faculty and the student body for qualities of integrity, leadership, compassion, fairness and educational achievement. Celebrating its 120th year, Alpha Omega Alpha holds a position of honor and respect in the medical world for furtherance of scholarship and research and encouragement of high standards of character and conduct among medical students and graduates. Alpha Omega Alpha recipients receive green and gold twisted honor cords to wear with their academic regalia.

**Joshua Christensen, William Malloy, Hannah Mueller-Boysen,
Mariah Schultz, Patrick Vosters, Joshua Wiesner**

GOLD HUMANISM HONOR SOCIETY

The Arnold P. Gold Foundation Gold Humanism Honor Society (GHHS) recognizes students who are exemplars of compassionate patient care and who serve as role models, mentors and leaders in medicine. GHHS members are peer-nominated as those one would want to care for one's own family members. GHHS recipients receive white and gold twisted honor cords to wear with their academic regalia.

**Marissa Davis, Khadijah Enoch, Aubriannah Larson, Julliette Lucas,
Kayla McConnaha, Dalton Shaw, Patrick Vosters**

MATTHEW HUNSAKER, MD FOUNDING DEAN AWARD

This award is presented annually by the Walter Zeit Fellowship to a graduating student at MCW-Green Bay to recognize their dedication and service to MCW and the community. The award is named after MCW-Green Bay's founding dean, and is made possible thanks to contributions from the Walter Zeit Fellowship, MCW's premier donor recognition society.

Dear Doctors,

Ahead of you, wonderful days may lift your spirit and tough ones may challenge your drive. The road to becoming a physician is not easy; neither is the life of one. Just as we have supported you during your medical education, please know that our collective care and concern for your well-being continues into residency and beyond. The team at MCW-Green Bay will continue to cheer for you, always believe in your potential, and be available if/when you need us. We are proud to have shared in your journey and confident you will make a profound impact on your patients, community, and the world. You are our best hope for the future of medicine.
