

Edward J. Lennon, MD Outstanding Woman Postdoctoral Researcher Award Application

Applicant Name:

PI Name & MCW dept:

Please submit this form together with your CV and a letter of support from your PI to the Office of Postdoctoral Education at postdoc@mcw.edu no later than November 25th, 2024 @ 5pm.

- 1) When did you begin your current postdoctoral training at MCW (month & year)?
- 2) Have you won this award before? If yes, please mention the year.
- 3) How many *peer-reviewed* manuscripts have you published during your postdoctoral training at MCW (include only the last 4 years)?
 - a) Of these, how many are first-authored publications? Please list the articles.
 - b) Of these, how many are co-author/corresponding author publications? Please list the articles.

Note: Please limit your responses only to published or *in-press* manuscripts from work accomplished at MCW.

- 4) Do you have any volunteering experience during your postdoctoral training at MCW? If yes, please list only experiences that are **directly** or **indirectly** related to SCIENCE ONLY (i.e., no experiences unrelated to science).
 - 'directly' related = judging a scientific poster session, conference session chair, for example
 - 'indirectly' related = serving the scientific community on the PAC or SOS planning committee, for example
- 5) At which conferences have you presented your scientific work during your postdoctoral training at MCW (include only the last 4 years)? Please list calendar year and specify if it was an oral or poster presentation.
- 6) Have you applied for any fellowships/grants/patents during your postdoctoral training at MCW (include only the last 4 years)? Please list calendar year and specify the funding status (for fellowship/grant) or approval status (for patent).
- 7) List all academic awards and honors that you received during your postdoctoral training at MCW (include only the last 4 years).
- 8) What do you consider to be your ***single most important*** contribution to science made during your postdoctoral training at MCW (consider only the last 4 years)? Limit your responses to 150 words only.
 - **Note:** This could be a publication, an abstract, a presentation, an invention/patent, mentoring/teaching responsibilities etc. Inclusion of multiple contributions or exceeding word limit will result in disqualification.
- 9) Briefly describe (word limit 250) your future career goals and how this award would help you achieve those goals.
 - **Note:** Exceeding word limit (>250 words) will result in disqualification of application.
