

## Post-Graduate Year 1 Resident in Community-Based Pharmacy Residency - altScripts Specialty Pharmacy

Continue your post-graduate education at the Medical College of Wisconsin (MCW) School of Pharmacy, based at a robust academic medical campus with a demonstrated commitment to improve health and reduce disparities.

The MCW School of Pharmacy is seeking qualified candidates for a Post-Graduate Year 1 Resident in Community-Based Pharmacy Residency. The 1-year full-time residency, beginning in July, is based at the MCW School of Pharmacy with a clinical practice site at altScripts Specialty Pharmacy.

Participate in intensive patient care and faculty development experiences that will prepare you as a community-based primary care pharmacist and academic leader, to ensure access to high quality, innovative primary care services, reduce health disparities and promote community wellness. We'll prepare you for a successful community based pharmacy and academic career, with:

- Progressive practice sites to develop the pharmacist of the future
- Participation in comprehensive patient care, including medication therapy management (MTM), physical assessment, and immunizations and other injectable medication experience
- Academic experience through didactic, practical and experiential education
- Certifications including: Teaching Certificate, WPQC (MTM) Training, NACDS Point of Care Testing, Physical Assessment Training, Mental Health First Aid Training, and more

You will address social and economic determinants of health, and work to optimize delivery of care to patients in the community. Collaborate directly with interprofessional health care providers and scientists with expertise in population health management, patient-centered care and chronic disease state management.

Residents hold a faculty appointment at the rank of Instructor, and receive:

- A competitive stipend and benefits, including health coverage, paid holidays, vacation and personal days
- Travel funds
- Support of a network of productive faculty and peers
- Individualized clinical and teaching experiences, research training, and mentorship to meet your unique needs and interests

### ➤ QUALIFICATIONS

- Doctor of Pharmacy Degree
- Eligibility for licensure to practice pharmacy in the state of Wisconsin
- Commitment to a career in community-based pharmacy practice
- Residents must be U.S. citizens or permanent residents

Please contact Sara Revolinski, PharmD, Residency Program Director with questions: [srevolin@mcw.edu](mailto:srevolin@mcw.edu)

## The altScripts Specialty Pharmacy team offers a patient-centered care model.

Established in 2015, altScripts Specialty Pharmacy offers a patient-centered care model, providing specialty services to patients and health care providers, to simplify complex medication therapies, enabling optimal results and ensuring patients receive quality, timely care. As patient advocates, we take a personal approach to provide optimal therapy and affordable solutions to what is otherwise considered high cost treatment.

## Opportunities for Resident

Teaching	Inter/IntraProfessional Collaboration	Management Opportunities	Direct Patient Care
<ul style="list-style-type: none"> <li>• Teach in lab sessions weekly at MCW</li> <li>• Deliver lectures</li> <li>• Complete academic projects</li> <li>• Precept at practice sites</li> <li>• Obtain Teaching Certificate</li> </ul>	<ul style="list-style-type: none"> <li>• Work with providers and other practitioners to meet needs of patient</li> <li>• Protocols</li> </ul>	<ul style="list-style-type: none"> <li>• Manage daily operations in a community health center</li> <li>• Manage daily operations in an independent specialty pharmacy</li> </ul>	<ul style="list-style-type: none"> <li>• Patient disease and medication education</li> <li>• Acute and chronic disease therapy management</li> <li>• Insurance coverage and financial assistance</li> <li>• Substance Use Services</li> <li>• Health Education</li> <li>• Behavioral Health</li> <li>• Point of care testing</li> </ul>

## Weekly Schedule

Time will be split between the MCW campus and altScripts Specialty Pharmacy practice site. altScripts is located a short 10 minute drive from the MCW campus.

Full-time role with the expectation of 80% of time dedicated to clinical practice and administration with 20% dedicated to academia. Flexibility is required as necessary to accommodate business needs.

## WHAT MAKES MCW UNIQUE

New knowledge changes everything, from a single life to an entire community.

At the core of everything we do at the Medical College of Wisconsin (MCW) is the pursuit of new knowledge and the power of academic medicine. Bringing together the world's top scientists and clinicians, inspired students and invested communities, we are driven to solve the most complex challenges in health and society. MCW is home to a diverse group of thought leaders collaborating to build a healthier world and a continuous cycle of life-changing knowledge.
